

Timepop App Campus Rep

About Timepop

Timepop is an app where you can set goals and plans into the future. You can share your journey and celebrate your achievements. It takes a refreshing approach to inspire you to focus on what's coming up, rather than looking at the past. Literally, you scroll up to see the future! Already we are collaborating with students and organizations from Stevenson High School, UCI, and Northwestern.

Compensation

Paid per download with perks and cash incentives

Description

Help us make Timepop the most popular app on your school campus. Flex your creative muscles. We'll give you the resources to run your own campaigns however you see fit for your campus

- Develop fun promotional campaigns
- Drive downloads and retention on your campus
- Do the daily missions
- Distribute swag to all of your friends

Qualifications

You are fun and outgoing. You're involved in organizations on campus and you're making the most out of your school experience.
